

Doctor visit checklist

Tick as you pack, and write your questions before you go.

Take with you

- ☐ Old prescriptions and the medicines you take now
- ☐ Recent lab reports, scans and discharge summaries
- ☐ The last visit's notes
- ☐ Readings since the last visit (blood pressure, sugar, weight)
- ☐ Insurance card and ID
- ☐ A list of what has changed since the last visit
- ☐ Phone charged, and a pen

Questions to ask

During the visit

- ☐ Say the main problem first
- ☐ Write down what the doctor says
- ☐ Ask what to do if it gets worse, and when to come back

Before you leave

- ☐ Do I understand each medicine: what for, when, for how long?
- ☐ Do I know about any tests, and when the results come?
- ☐ Next appointment date: _____
- ☐ Photograph the new prescription and reports
